LATIN AMERICA

-- The apparent disappearance of the Argentine ambassador to Venezuela while visiting Buenos Aires this week adds yet another incident to the picture of continuing political violence in Argentina. A wave of abductions involving eleven persons--eight lawyers and three of their wives--occurred in Mar del Plata earlier this month. Three of those abducted were subsequently released, but one lawyer has been found dead. *Responsibility for these kinds of acts is undetermined,*

3.3(b)(1)

but they are usually the work of hardline right-wing groups of military and civilian officials--especially in the security services--who want to embarrass the relatively moderate Videla government.
